ASWIN S

ABOUT ME

I am a React and Next.js developer with over 3 years of experience and a BMMC degree, currently contributing at **AyataCommerce**. I specialize in building scalable web applications using React, Next.js, and TypeScript/JavaScript, with hands-on experience in integrating RESTful APIs, and optimizing performance. I'm skilled at creating **user-friendly interfaces** and **enhancing operational efficiency** through innovative solutions. A **multi-talented professional** with strong collaboration and time management skills, dedicated to delivering **impactful, high-quality digital products**.
